UNECE/FAO Green Jobs in the Forest Sector

-Discussion paper Green jobs in the Forest Sector published 2018

-https://www.unece.org/fileadmin/DAM/timber/publications/DP71_WEB.pdf

POTENTIAL OF GREEN FOREST JOBS

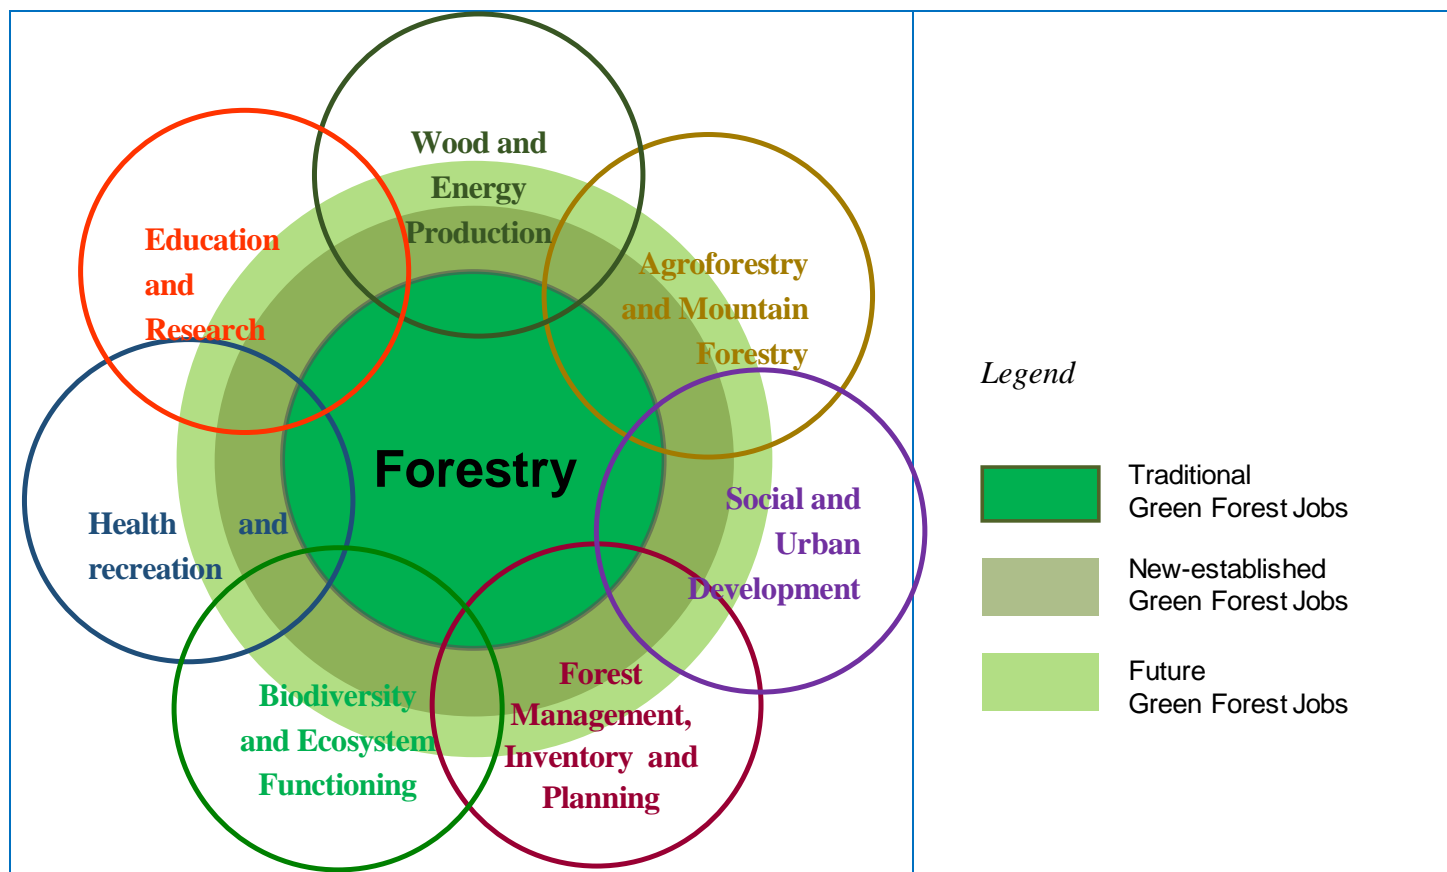

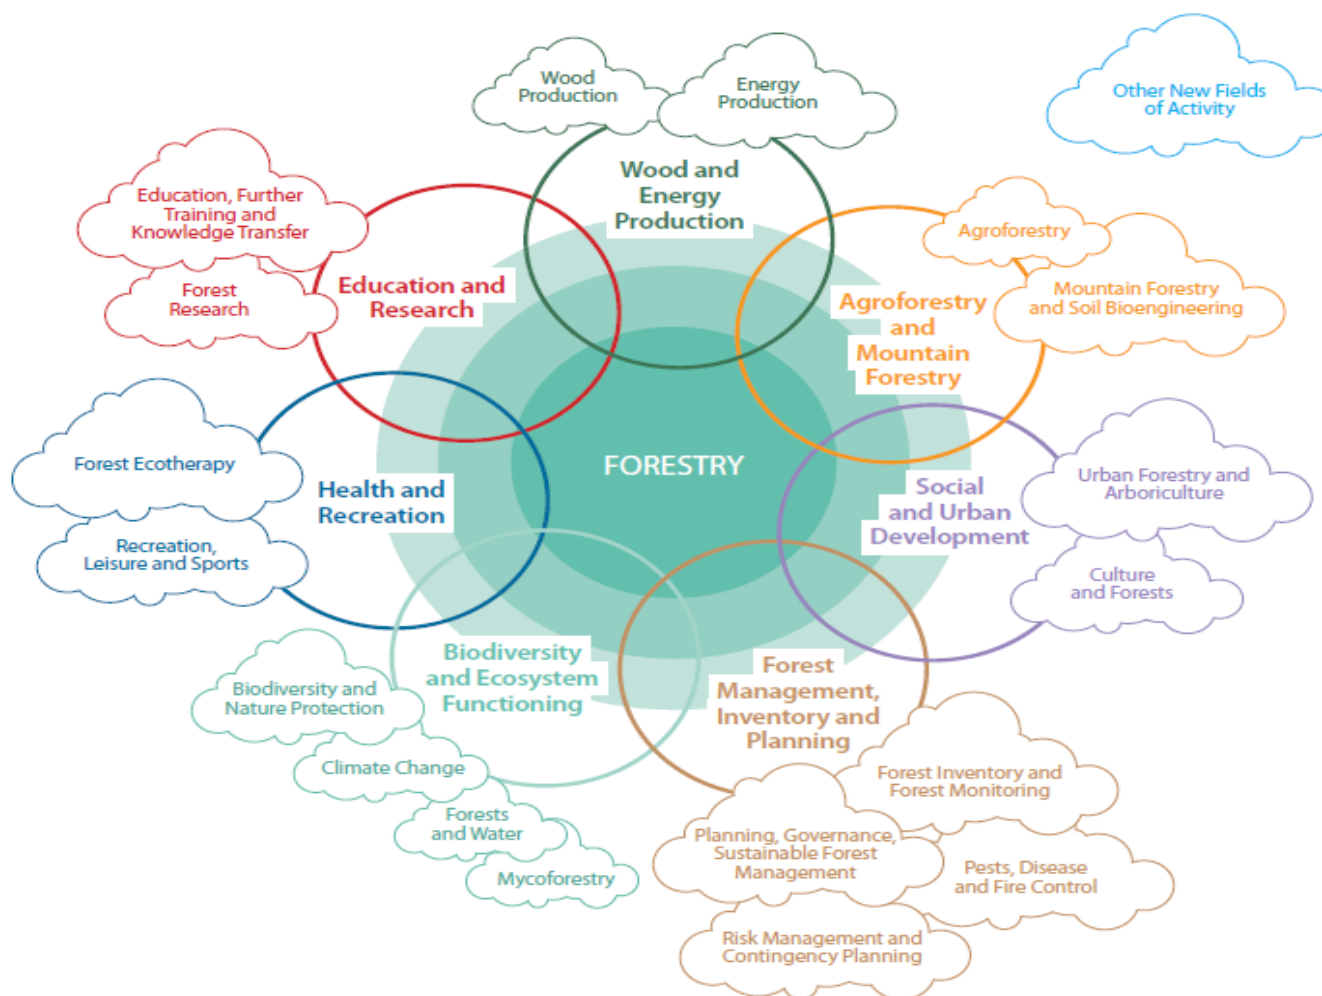

FIGURE 2 Examples of fields of professional activities in the forest sector under the seven thematic areas

The potential for green forest jobs is different in each region or in each country according to the existing context; a systematic analysis of their potential is an important first step for the development of further forestry-related policies.
