

EUROPEAN
FORESTRY
HOUSE

10th Anniversary European Forestry House

Natalie Hufnagl-Jovy, Erik Kosenkranius, Birte Schmetjen
Pioneers of a long lasting vision

Brussels, July 12th 2017

We had a dream

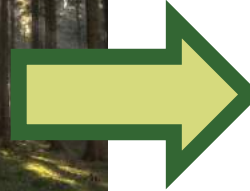

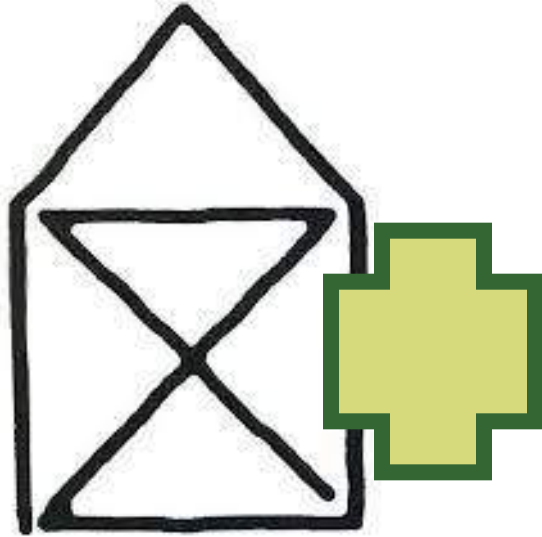

...two forestry ladies from Germany (CEPF)

...and once he arrived in Brussels, a forester from Estonia (EUSTAFOR)

All forestry organisations under one roof...

10 years ago ...

It was an exciting time ...

... The European Parliament adopted its report on the **Forest Action Plan** (initiated by CEPF and MEP Heinz Kindermann)

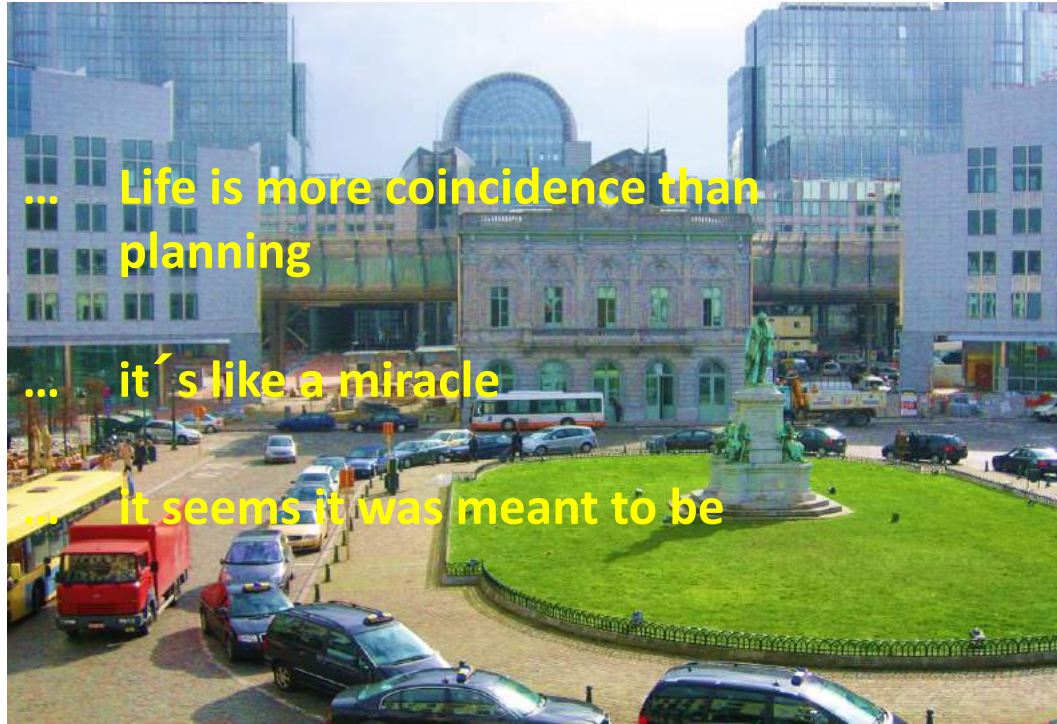

...**Timber prices were increasing**

...The **forest-based sector technology platform (FTP)** was picking up speed

A good time for giving the forest sector an outstanding face and increase its visibility !

Sometimes ...

EUROPEAN
FORESTRY
HOUSE

Rue du Luxembourg 66
1000 Brussels

Autumn 2006 – a ruin became a beauty

Autumn 2006 – a ruin became a beauty

Our motto and motivation

... encouraged by the trust and confidence of our CEPF Board:

Esa Härmälä (FIN)

Henri Plauche-Gillon (F)

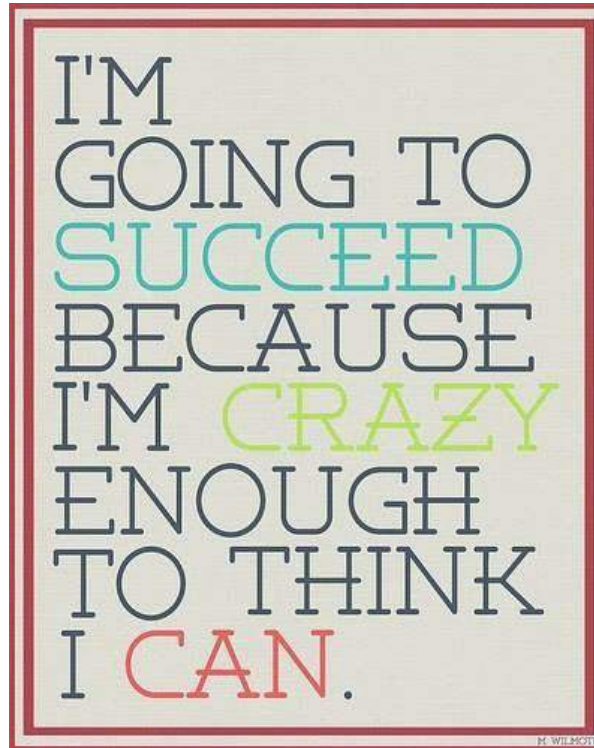

Stefan Schenker (A)

Michael zu Salm-Salm (D)

Joe Bartón-Dobenín (CZ)

Christer Segerstéen (S)

Joan Botey (E)

...and the founding organizations of EUSTAFOR:
LVM (Latvia)
Metsähallitus (Finland)
ÖBf (Austria)
ONF (France)

The financial supporters of our dream

proHolz Austria (A)
Riigimetsa Majandamise Keskus (EE)
Södra (S)
Sveaskog AB (S)

Opening: 20th of March 2007

Opening: 20th of March 2007

At the beginning – forestry in coalition with milk and cold storage

European Forest Institute

Forest-based Sector
Technology Platform

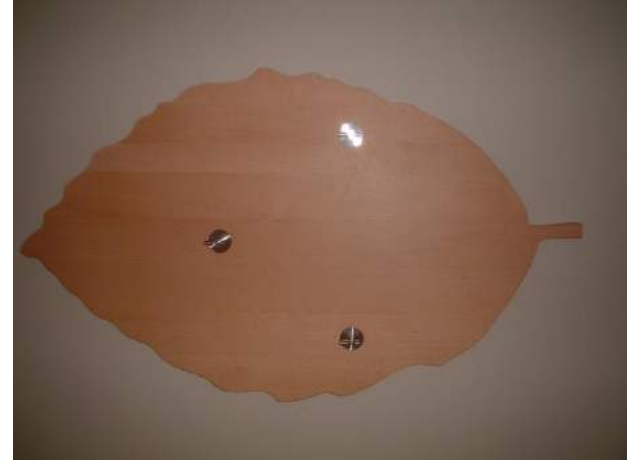

ENFE

The furniture concept – representing Europe's forests

Cloth hook & type of woods in each office

The furniture concept – representing Europe's forests

Newcomer: Thermo-Wood (from beech)

Today – a true European Forestry House

Forest-based Sector
Technology Platform

Supporting Organizations

Today – a place

- ... where forestry is under one roof
- ... to meet and discuss
- ... that is visible and representative
- ... in the heart of Europe-Brussels

Congratulations EFH!
